

RUSSELL COOPER
Principal, Acoustics

What Clients Say About Him

Russ gets us where we need to be. He asks the right questions, applying his expertise and interest in both acoustics and music.

With JaffeHolden Since 1990 – In The Industry Since 1981

Russ is President and a lead designer of acoustics. He effectively communicates with design teams in all aspects of a project. He approaches projects pragmatically and is free of pre-conceived notions. This combination of flexibility and experience engenders trust and confidence and leads to getting the job done efficiently and soundly.

Russ has a Bachelor of Science degree from the University of Hartford and Hartt School of Music, majoring in acoustics and music. He holds memberships in the Acoustical Society of America and the American Society for Heating, Refrigeration and Air-Conditioning Engineers. Russ is also principal timpanist with the Norwalk Symphony.
