

**MICHAEL SANTAMARIA**  
**Principal, Acoustics**

**What Clients Say About Him**

Michael approaches projects vigilantly. He identifies and minimizes the risks as well as promotes the benefits inherent in various plans. His propensity toward building trust, through the careful consideration of the views of others while sharing his own, results in the formation of solid relationships with his fellow teammates on projects.

**With JaffeHolden Since 2007 – In The Industry Since 1993**

Michael specializes in acoustics, building systems noise control, and environmental noise. He has experience working on performing arts halls, theaters, houses of worship, educational spaces, hotels, commercial facilities, television stations, and dance facilities. Michael works from the Santa Monica office.

Michael received his Bachelor of Science in Mechanical Engineering from University of Hartford. He is a member of the Acoustical Society of America, the American Society of Heating, Refrigerating, & Air-Conditioning Engineers, and the Institute of Noise Control Engineering.
